

***Reasons for Allowance***

Claims 1-4, 6-12, and 14 -26 are found allowable.

The following is an Examiner's statement of reasons for allowance:

Claims 1-4, 6-12, and 14-19 and 21-23 were rejected under 35 U.S.C. 103(a) as being unpatentable over Osbourn et al. (USPN 3,212,495) in view of Van Dyke et al. (USPN 6,316,598 B1).

However, the previous art of record does not fairly teach the claimed invention drawn to a skin patch comprising a support having an electrically charged surface resulting from the application to the support of an ionizing field.

.Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the Examiner should be directed to TIMOTHY E. BETTON whose telephone number is (571)272-9922. The Examiner can normally be reached on Monday-Friday 8:30a - 5:00p.
